

Did You

Know That The Average Person Laughs 13 Times A Day?

Hello-

I'm Ryan Bardes. If you decide to move into one of my nice homes, or not, allow me to extend my invitation to read my newsletter.

My profession is real estate with F.C. Tucker, as you may know, my real estate niche is providing Rent to Own Homes. **My passion is improving the survival rate against cancer.** I'm sending you this special letter to personally introduce myself and to let you know about something very valuable and special I'll be sending you FREE each month.

It's my **Champs 4 the Cure!**[®] newsletter, packed with insider tips for healthy, wealthy, and fun living. I promise, my newsletter will be different than anything you've ever seen, and will stimulate your knowledge, imagination...and even tap your "funny bone" for years to come.

You'll learn fun and interesting trivia such as how many times a person laughs daily, as well as have an opportunity to participate in a trivia contest that awards 2 FREE registrations to a **Relay For Life** walk in your hometown (\$100.00 value.) (You can play my trivia game by referencing page 4 of my newsletter each month).

Leave your answer on my Free RECORDED 24/7 hotline **1-800-356-7031 ext 7156.**

It's just my way of sharing helpful tips, information, and building a **Relay For Life** team with my friends, clients, and family.

So please keep an eye out for your next issue, arriving in just a few weeks. I look forward to having you as a new friend, entertaining you each month, and serving you in the future.
